RE: *Petition of the North American Numbering Plan Administrator on behalf of the South Carolina Telecommunications Industry for Relief of the 864 Numbering Plan Area*

Dear Ms. Boyd:

On April 27, 2022, the Public Utility Commission of South Carolina ("Commission") notified the North American Numbering Plan Administrator ("NANPA") of a directive to publish the "Notice of Filing" ("Notice") included with the directive, on or before **May 13, 2022**, in newspapers of general circulation one time and provide the undersigned Proof of Publication on or before **June 2, 2022**.

NANPA submitted a "Request for Waiver of Publication Requirement" ("Waiver") on May 6, 2022. To avoid missing the deadline for publishing the Notice, NANPA arranged for the publication of the Notice on May 12, 2022, in *The Post and Courier*, a statewide South Carolina publication. Without resident knowledge of South Carolina publications, NANPA chose *The Post and Courier* because it covers all of South Carolina, including the 864 NPA. Therefore, as the Notice is published, NANPA withdraws its Waiver.

NANPA hereby submits a copy of the original proof of publication of the notice provided on May 12, 2022, in *The Post and Courier*.

If you have any questions regarding this filing, please contact me at 925-420-0130.

Respectfully Submitted,
